Spanish

¡Hola! We have some fun things planned to end Hispanic Heritage Month with a bang! We are preparing to assist in the humanitarian relief contribution help for Puerto Rico and other islands. We welcome two new members in our team: Mrs Covarrubias and Mrs Reveron.

Welcome Mrs. Troche, our
new Assistant Principal!

My name is Sara Troche. I'm from Puerto Rico but now I live in Tampa Florida. I've been teaching for 19 years in all the school levels K-12, including College. During the last years I was working as the Assistant Principal of a Bilingual School and now I can say that I like both roles. Both of them are an essential part of the success of a school. I just want that this year would be full of new experiences, learning, challenges and success!!
