A Note from Administration

FSA testing will begin the week of April 9th. Please make sure your child comes to school on time, gets a restful night, eats a hearty breakfast and brings their sweater. Your child needs to be present every day. The students have been working hard all year to master their standards. We are confident that they will all do an amazing job!

PE

This past month the students have been learning about volleyball. Students have learned about different types of hits, rules, and positions in volleyball. We will be continuing our Volleyball Unit into the 2nd week of April. After volleyball we will be starting our Baseball/Whiffle ball unit. Students will learn how to throw, catch, hit, and the rules of the game.

Go Bulldogs!

Spanish

Spanish Student of the Month: Sophia Yabut

We can't believe that we are in the 4th quarter! We are reflecting about the accomplishments of this year and the things we want to change and/or improve for the next school year. We are satisfied with the improvement that we see in the level of Spanish our students are having compared to the beginning of the year. We are looking forward for new and better opportunities for our Spanish Learners!
