

BRICKS 4 KIDZ PRESENTS...
LEGO® AFTERSCHOOL CLASS

AT

BridgePrep Academy

Bricks 4 Kidz is excited to be back at for a BRAND NEW fall after school class! This semester will be our most creative yet! Students will learn all about science, technology, engineering, the arts, and math through LEGO® bricks and our signature model builds. Learn about engineering and technology by building our robotic LEGO® airplanes, artistic symmetry by creating our LEGO® mosaic portraits, and art sculpture and architecture by building one of our LEGO® 3D models. Fun themes such as LEGO® STAR WARS, Superheroes, MINECRAFT, and other elements from pop culture will be used to teach our students a whole new way to explore and create with LEGO® bricks! Anything is possible in a Bricks 4 Kidz class. ... DON'T MISS THE FUN!

DATE: Wednesdays September 5th – November 28th

WHERE: BridgePrep Academy

TIME: 3:15PM – 4:15PM

COST: \$155.00

Class is for grades K-5
