Spanish teachers are very excited to meet and greet all their students!

For August, we are going to start working on rules and procedures.

Also, we are going to be working on Spanish basics like vowels sounds for lower grades K- 1 and vowels and consonants sounds for upper grades.

In addition to this, we welcome three new teachers in our Spanish Team, Mr. Lopez, Mrs. DeJesus and Mrs. Wilt.

Looking forward to a great year!

In Art, we are working on Art Rules and procedures in case of emergencies with Kinder. 6th - 7th is working on Art Rules and Procedures as well as a "Get to know each other" art display. We will be creating a bottle cap mural and are in need of bottle cap donations. The bottle caps can come from any project.

We're off to an exciting year in music as we learn about notes, rests, and all the great ways we learn to read and write music! We will also learn about all the different kinds of instruments, and the older grades will begin playing the recorders, so be sure to get yours soon!
