1. Our theme this year is **Mission Possible** and our teachers have a few missions for the school year that they plan to conquer! Working with your student and/or their teachers, is always a Mission Possible! If you accept this **MISSION**, then everything is **POSSIBLE!** 🐾🐾
2. Have you turned in your lunch application yet? They're due! We need one lunch application per family. This helps our school receive funding that goes back to our students. Please complete the application even if your child doesn't eat the school lunch.
3. Dress Code: BRIDGEPREP has a school uniform policy. It is very important your child comes to school wearing their complete uniform. You can purchase them from these links:
 1. Elementary:
<https://tinyurl.com/BPARiverviewElemUniforms>
 2. Middle:
<https://tinyurl.com/BPARiverviewMiddleUniforms>
4. Attendance: Remember, daily attendance helps improve student grades and your students' chance of success! Communicate with their teachers through Dojo, agenda, or a phone call to let them know if your child will be late or absent. Call the school as well because this helps us keep accurate attendance records. Make attendance a **MISSION** that is **POSSIBLE!**

**Character Trait of the Month:
Citizenship**

Just a few of the important Hispanic Figures of our time:

Sonia Sotomayor - Associate Justice of the Supreme Court of the United States

Sylvia Mendez - Paved the way for school desegregation in the US perquisite to Brown vs. Education

Franklin Chang - Díaz–Astronaut

Alfred Velazquez-Rascon – Medal of Honor recipient and the 10th director of the Selective Service System

Washington, D.C., April 17, 2019 - The National Council of Hispanic Employment Program Managers (NCHPEM), announced the 2019 Hispanic Heritage Month theme: **“Hispanic Americans: A History of Serving Our Nation.”** The theme invites us to reflect on Hispanic American’s service and contributions to the history of our Nation.

Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean , Central America , and South America.

The Hispanic Heritage observance began in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.
