Remember, daily attendance helps improve student grades and your students' chance of success! Communicate with their teachers through Dojo, agenda, or a phone call to let them know if your child will be late or absent. Call the school as well because this helps us keep accurate attendance records.

Welcome back to our families who are back with us for another year and welcome to those who are joining us for the very first time this school year. September is Hispanic Heritage Month, and we will have assignments and activities for students throughout the month to celebrate.

As the Covid-19 situation continues to develop, we are committed to doing everything we can to keep your children safe while providing them a quality education. If your child tests positive for Covid, they will need to quarantine. Please keep in contact with your child's teachers if they will be out as well as the front office. This will allow our teachers to get your child any work they might miss and will allow the office to keep an accurate record on attendance.

This year, students will continue using iStation and Achieve 3000 to improve their skills in Reading, Math, and Spanish. Please make sure your child is staying up to date on their iStation and Achieve 3000 work. This will allow us to track their progress throughout the year and will help them improve their skills much quicker.

As always, we thank you for your support and patience as we all work to navigate our way through these difficult times.

Stay Healthy! Go Bulldogs!

KINDER- GARTEN

Students of the Month

King - Mike Fleurant

Vann- Jolie Jeudi

Rodriguez - Kailey Taylor

Simon - Kiara Plata

Rodriguez - Orlando Reyes

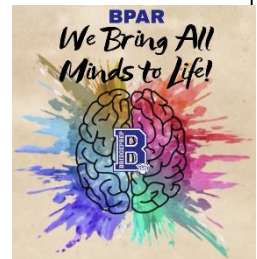

Hazzard - Lilliana Lussier
